F Night-breezes seem to whisper: I love you
Gm Birds singing in the sky
D Dream a little dream of me.

F Say night-y-night and kiss me
F Just hold me tight and tell me you'll miss me
Gm While I'm alone as blue as can be
D Dream a little dream of me. **F. A7**

Chorus

D Stars fading but I linger on dear
D Still craving your kiss
D I'm longing to linger till dawn dear
D Just saying this **C7**

F Sweet dreams that leave all worries behind you
Gm But in your dreams whatever they be
D Dream a little dream of me. **F. A7**
