Tell me dear are you lonesome tonight.

I wonder if you are lonesome tonight  
You know someone said that the world is a stage  
And you must play a part.  
Fate had me playing in love twes my sweet heart.  
Act one was when I met you, I loved you at first glance  
You read your line so cleverly and never missed a 'q'  
Then came act 2, you seemed to change and you acted strange  
And why I'll never know.  
Honey, you're lying when you said you loved me  
And I had no cause to doubt you.  
But I'd rather go on hearing your lies  
Than go on living without you.  
Now the stage is bare and I'm standing there  
With emptiness all around  
And if you won't come back to me  
Then make them bring the curtain down.
