Where are you, oh rose

My lei that permeates fragrance

You have a sweet fragrance

When you're close to me

Come here, so we can be together

In the comfortable embrace of Makana

Love is a great gift

Like a friend bidding welcome

You bring the pain of love to my thoughts

This is what the heart does

Tell the refrain

My lei permeates fragrance

My lei permeates fragrance

Where are you, oh beautiful rose . . .
